Communication

Date	25/10/2026
Team ID	Tanishka Jain
Project Name	**Electric Vehicle Market Performance & Insights**
Maximum Marks	1 Mark

Communication Plan:

Effective communication is essential for a successful project demonstration. This document outlines the communication strategy used within the team and with stakeholders throughout the project lifecycle, including how updates, issues, and feedback were managed.

S.No	Communication Type	Frequency	Channel / Tool	Participants	Purpose
1	Self-Status Review	Daily	Tableau Workbook Tags / Kanban	Individual Developer	To track calculated field creations, dashboard actions, and parameter setup
2	Progress Update	Weekly	Tableau Cloud / Public (Draft Links)	Individual Developer	To share progress using published interactive draft views of sheets and dashboards.
3	Issue / Bug Discussion	As Needed	Tableau Community Forums / Tableau Exchange	Individual Developer	To resolve Tableau-specific technical issues like Level of Detail (LOD) expression errors, slow extracts, or broken dashboard actions.
4	Stakeholder Review	Bi-Weekly	Tableau Cloud / Interactive Demo	Individual Developer	To present functional dashboard prototypes directly inside Tableau, testing user filters and drill-downs.
5	Final Demo Rehearsal	Once	Tableau Presentation Mode	Individual Developer	To run through the final presentation smoothly, ensuring all tooltips, page navigations, and story points flow without lagging.
